Qu'ayant lu certains ouvrages du Maître spirituel Bhagwan Shree Rajneesh dont:

- The Book of the secrets
- Meditation: the art of ecstasy
- Tao: I tre tesori
- La Rivoluzione Interiore
- Je suis la Porte
- The hidden harmony

Que ces livres, notamment "Je suis la Porte" et "La Rivoluzione Interiore", ont eu un grand succès en France et en Italie, et reflètent l'extraordinaire personnalité d'un puissant Maître à penser.

Que je n'ai pas eu le bonheur de rencontrer Bhagwan Shree Rajneesh, mais je peux dire que sa vaste compréhension et sa transmission des problèmes religieux ont influé positivement sur de nombreux disciples. Je le certifie d'autant mieux qu'en ayant connu certains, j'en ai apprécié leur haute qualité.

En ce qui me concerne, j'ajoute que j'appartiens au 33°. grade du Rite Ecossais Ancien et Accepté de la Massonerie Universelle, et qu'un Comité est en voie de formation pour présenter ma candidature au Prix Nobel 1984.

Fait en toute bonne foi.

That having read certain works of the spiritual master Bhagwan Shree Rajneesh, namely:

- The Book of the Secrets
- Meditation: the art of ecstasy
- Tao: I tre tesori (Tao: The Three Treasures)
- La Rivoluzione Interiore (The Inward Revolution)
- Je suis la Porte (I am the Gate)
- The hidden harmony

That these books, notably "Je suis la Porte" and "La Rivoluzione Interiore", have been very successful in France and in Italy, and reflect the extraordinary personality of a powerful philosophical master.

That I have not had the pleasure of meeting Bhagwan Shree Rajneesh, but I can say that his vast understanding and his transmission of religious issues have positively influenced numerous disciples. I can verify this still more for having met certain disciples. I have appreciated their high quality.

As concerns myself, I add that I am a member of the 33rd grade of the Ancient Scottish Rite and the Accepted of the Universal Masons, and that a committee is being formed to present my candidacy for the Nobel Prize in 1984.

Made in good faith
