TO WHOM SO EVER IT MAY CONCERN

I, Nalinkant B. Chitalia, residing at Bombay, do hereby state as follows:-

I had attended some spiritual discourses of Bhagwan Shree Rajneesh when He was in India. These days also I hear His taped discourses whenever I have time. I am very much impressed by His unique speech.

For centuries religion has lacked many things viz freedom, laughter, love etc. I am sure that Bhagwan Shree Rajneesh is capable enough to teach all that was lacked in religion.

Bhagwan's people are really loving and sincere. Bhagwan's unique methods of meditation (New & Traditional) have transformed many people. He is the hope for to-day's world.
