To whom it may concern

It is to inform about Bhagwan Ramesh who is a great Indian Sage and a spiritual I was ~~not~~ introduced about him by one of my friend in Narnaul in 1978 when I met him there in a hotel, and on his talks I was so much impressed that I heard a number of his talks which impressed me ^{very} so much. On hearing his talks and reading his books I believe that he is a Great Sage who should be worsh
