## To Whom It May Concern

I heard the voice of Bhagwan Rajneesh through Cassette Tapes and read a couple of Books given to me by a friend. The truth of life honestly explained, which no preachers of religion can teach.

His (Bhagwan Rajneesh) teachings are unique and unparrell for the persons (like me) with a little knowledge about religion, spirituality and purity.

Though I am not his disciple, but his Voice has great impact on my life-style.
