SANTOS NESTOR MARTINEZ

Minister Plenipotentiary  
ex Deputy Permanent Representative of Argentina to the U.N.  
Argentina Minister to the specialized organisations in Geneva

To whom it may concern:

I have known Sri Rajneesh Baguan as a religious leader for quite a time. I have never met him personally but I have read some of his books and I have in my possession several tapes of him which were recommended to by my doctor.

I have known of him through several personal friends, particularly in Milan, New York and San Francisco, who have become his disciples and had made visits to the Ashram in Poona (India) and in Colorado.

Even if I do not consider myself his disciple or belonging to his sect, his writings and works have impressed me as very coherent and truthful. In any case he has had an enourmous influence on friends of mine and I am a witness of changes for the best in their life through Baguan's teachings.
