To Whom It May Concern:

As an actor, director and writer, it has been my need to keep myself in contact with people who can help me express myself more deeply and truthfully.

It has been my pleasure to have attended Bhagwan Shree Rajneesh's ashrams in New York and Los Angeles, and to have read several of his books.

I have found his ideas and techniques extremely helpful to me, not only as an artist but also as a man. I consider him one of the world's great spiritual teachers and I am very happy that he is residing here in this country, as I hope that many Americans may avail themselves of his great knowledge.
