Copenhagen, July 19, 1983

TO WHOM IT MAY CONCERN.

I, Grethe Friis, am the author of the following titles:  
"Lommeuld", "Ildfluedans", "Den ensomme mands vilje", "Fru  
Guds store lygte", "Den lukkede have", "Tankefnug" and  
"Petit Point". For my work as an author I have received The  
Award Of The Ministry Of Education and Edith Rode's Mindelegat.  
Further more I have several times appeared in radio programs  
and on television.

I have come to know of the religious teacher and spiritual  
leader Bhagwan Shree Rajneesh through reading his books and  
listening to his taped discourses.

I have been greatly inspired hereby, and I find it of great  
importance to the survival of humanity and maintainance of  
global peace that Bhagwan Shree Rajneesh is allowed to live  
and work in the U.S.A., as his teachings here have the posi-  
bilities to reach a lot of people. Everybody needs inspiration  
and this man is of such exceptional abilities that any country  
should be happy to have this man living and working inside  
its borders.

Yours truly,

  
Grethe Friis.
