

To whom it may concern,  
I first came to know Bhagwan in the summer of 1981, shortly after my father Swami prem Niren took sannyas (became a disciple) listening to tapes of discourses of Bhagwan. I took interest and began visiting Rajneesh Meditation centers. I grew closer and closer to Bhagwan and his sannyasins and in January, 1982, I took sannyas. Since then, I've had the best time of my life. Living in Rajneeshpuram, I've seen how Bhagwan's love inspires everyday cooking, cleaning, and school work into joyful play and worship. His vision has helped us to create so much! He has followers all over the world who feel the same way. He is the most inspirational person I have ever met. The joy and energy I feel doing worship for him is immeasurable.

Sincerely,  
Ma Juan
