PROT. N. ....

TO WHOM IT MAY CONCERN

I am an accountant living and working  
downtown Milan.

My office has had a number of business  
dealings with Bhagwan Shree Rayneesh's  
disciples, both in Milan and in Lugano,  
Switzerland, and I have always found them  
extremely scrupulous and reliable people.

Through them I have also come to know  
and appreciate their Master as an exceptional  
figure which would do honour to any country  
he were to live in.

I hope therefore the U.S. Governement  
wont find any difficulty in granting him a  
visa.

Yours sincerely
