

TO WHOM IT MAY CONCERN

I, the undersigned Odile Bingisser-Pannewitz, <sup>1 am</sup> a sociologist, educator and designer, of French nationality. I was born April 26, 1940 in Bône, Algeria, and am presently living in the Gotenstrasse 15, Berlin 62.

I received the Master-degree in Sociology in the University of Marseille-Provence (France) in 1966 and was a government-employed sociologist in an Expansion Programm of the town of Nizza.

Through my marriage with Günther Pannewitz I became three years long actress in the avant-garde company "The Living - Theatre" and toured all over Europe and USA.

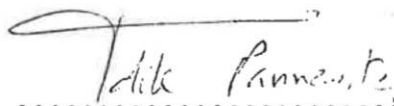

I then became an educator in creativity for seven years in West-Berlin, in the Bezirksamt-Zehlendorf.

In the same years I started to design fashion and presented twice a year a collection of fashion to top-boutiques in Berlin. ("Mad" - "Soft" - "Cartouche" etc.)

In 1980 I met Bhagwan Shree Rajneesh through the book of the "Stern"-reporter A. Elten "Ganz Entspannt in Hier und Jetzt" and took part in many groups in the sannyasin-center in Berlin, and was initiated by Bhagwan in 1980.

The contribution of His teaching in the field of Personal Growth is unestimable, and I pray that all authorities will give their coöperation to the furtherance of His work, so we can all benefit from this.
