

TO WHOM IT MAY CONCERN

JULY 1983

I AM A DOCTOR IN MEDICINE HAVING A DEGREE FROM THE UNIVERSITY IN AUSTRIA (1968). I HAVE BEEN WORKING IN HOSPITALS AND AS A GENERAL PRACTITIONER FOR YEARS.

I CAME TO KNOW BHAGWAN BY READING HIS BOOKS, AND MET HIM PERSONALLY IN 1976.

BHAGWAN CHANGED MY ATTITUDE TOWARDS MEDICINE: IT BECAME MORE HOLISTIC, CARING, EFFICIENT.

IN HIS PRESENCE I HAVE SEEN MANY PEOPLE AND FRIENDS GROWING. SINCE HE IS IN SILENCE THIS CONTINUES, EVEN MORE POWERFUL. HIS WORK QUALIFIES HIM AS A RELIGIOUS LEADER.

HE IS AN OUTSTANDING PERSON WELL-KNOWN ALL OVER THE WORLD FOR HIS INCOMPARABLE ABILITIES.

MANY COUNTRIES WOULD BE PROUD TO WELCOME BHAGWAN.
