Dear Sir,

I am a house wife Mrs. Kumud Gokani of Mombasa, KENYA. I run RAJNEESH M. Center with help of my husband Dr. Gokani M.B.B.S. D.L.O., R.C.P. (LOND.) & R.C.S., (ENG.).

As a house wife I feel that Bhagwan's teaching helps us not only to get a spiritual insight but also to live a happier and healthier family life. I met Bhagwan in 1971 at Poona. I took Sanyas after 3 years. After having read lots of his books, tapes, and participated in Meditation camps. I feel that I have become a better Mother and a housewife because of Him. Therefore I would like many people to know him more.

If all nations of the world followed his
