

TO WHOM IT MAY CONCERN

This is written in support of the application by Bhagwan Shree Rajneesh for permanent residency in the United States of America.

I am a Clinical Psychologist, B. Psych, M. Psy. (University of Western Australia) - member of the Austral. Psychological Society, Australian Society for Hypnosis, and the Western Australian Association of Psychotherapists. I have 5 years of experience in Psychiatric and General Hospitals and Outpatient Clinics, and I have had a private practice over 18 months. I am fully registered with the Psychologists Board of Western Australia.

I know of Bhagwan Shree Rajneesh through his writings and more recently through his audio and video tapes, since 1976. I believe him to be of exceptional ability and wisdom as a spiritual leader, with a prolific output through lectures, writings, and audio and visual recordings, and I wholeheartedly support his above-mentioned application.
