To Whom it may concern,  
Laman American, tax payer & property owner in  
Santa Monica.

A follower of Bhaagwan Shree Rajneesh since 19  
I have been to his Ashram in India twice and  
his Ranch in Oregon twice. I have gotten many  
years of Education from the man and his  
work. It is an honor that he chose Amer  
and Oregon to continue his work. It is  
very essential for man kind that he remain  
in Oregon. I urge you to let this master  
Relax with this US issue. To let him build  
and teach, spiritual values to us as  
Americans and to the foreign followers..  
He is a great Religious teacher and Man.

Thank you,

Libert Donald
