To Whom It May Concern:

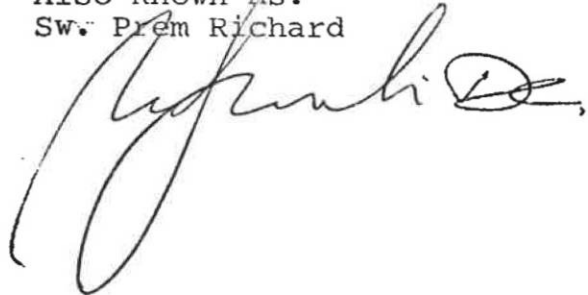

It pleases me immensely that this letter offers an opportunity for me to express my deepest appreciation for the dearest person in my life, namely Bhagwan Shree Rajneesh.

I have pursued a program in studies of philosophy at Holy Cross College, Worcester, MA, University of Grenoble, France, Universidad de las Americas, Mexico City, Mexico, and concluded my academic career with a Doctor's degree from Palmer College of Chiropractic in Davenport, Iowa. Having visited some forty-one countries in my pursuit for understanding myself, my world, my God, I have come to trust in the teachings of Bhagwan Shree Rajneesh to guide me and continue to open my heart.

This man of outstanding and exceptional ability has moved me to unparalleled levels of growth and responsibility to all areas of life.

Please accept this statement as support in allowing this great man a continued place in this country founded on principles of people coming from afar joining different religious traditions to create the Fountainhead of Democracy.
