To whom it may concern:

In reference to the application by Rajneesh for a permanent visa, I'd like to take the time to add my "yes" vote.

I'm firmly in favor of supporting the American way — freedom to believe as one wishes. As for myself, I'm a staunch Catholic. I'm very impressed by the love and hardwork that emanates from the followers of the Rajneesh.

So many foreign people are granted permanent visas, I cannot see why a man of this stature should not be one of them.
