to whom it may concern,

For the last three years I have been employed as a tree planter and a fruit picker in British Columbia, Canada. I have known Bhagwan Shree Rajneesh since 1981 by reading his books. His teaching has really changed my life and the way I work.

Work is so different now, what I have seen at Rancho Rajneesh, the way they work, helps me to work more efficient. Now everything is easier and the production is better. To see Bhagwan in Oregon during the festival, to be with him during satsangs changed my whole energy. Now at work, everyday I connect with Bhagwan and he helps me to do a good job and give quality. My relationship with my friends at work is more friendly.

Bhagwan Shree Rajneesh is an extraordinary man and his teachings & his silence really help me to be happy and enjoy my work.

Sincerely yours,

Ma Prem Sargaji
