I have go to RAJNEESHPURAM to visit. I have been surprise to see people so good, so happy to leave, peaceful, fool of love. In three weeks, I have never se one people drunk, or taking drogs, or fiting with others. About 15000 was here and all was clean, in order.

This is an exemple of life for all the people and if the world was like this, we enjoy life and work in peace.

This man is hope for the world. I am sure of this and I am not sannyas.
