Dear Sir,

I am a house wife, who unfortunately lost a beloved son ~~an~~ in a ~~try~~ tragic accident. Soon after this I lost my husband. My pain made me bitter sad and harsh. Luckily I came to know Bhagwan Shree Raynesh through a friend. I read his books and listened to his tapes. His teaching helped me to move away from my pain. I therefore feel that if he is allowed to create a Buddhagild at Rayneshpuram, He will be able to help millions like me. As I don't know English, I have asked a friend to write for me. I trust you will help Bhagwan in his work.

Love for you ALL.

M. N. Thaker.
