TO WHOM IT MAY CONCERN

I have been a disciple of the enlightened master, Bhagwan Shree Rajneesh, for over three years and have never been in His presence to hear Him verbally communicate. To me Bhagwan's message is in his silence; the warmth of showering love I have experienced in His silent presence strikes a chord so deep within me that words are inadequate.

For me there exists a communion, a deep feeling between my master and myself; to me this is the most beautiful communication I have ever known.

I request that Bhagwan Shree Rajneesh be permitted to reside in the United States of America.
