

July 27<sup>th</sup>, 1983

To whom it may concern.

My name is Ma Anurag Faith AKA Pamela Alvarez.

I have been a housewife, mother, property owner and Taxpayer in California since 1968.

In 1964-65 I was a lay therapist trained and working at the Marianne Frostig Center in Los Angeles, California & also worked as a teacher with emotionally disturbed blind children, at the "Blind Childrens Center" in Los Angeles 1965-66.

In 1980 I began reading Bhagwan Shree Rajneesh, in October 1981 I became a sannyassin.

From the moment I read him and started listening to his taped discourses, my life began to change for the better.

I have recently become a resident of Rajneeshpuram. I am very grateful to have the incredible experience to live and worship in the presence of Bhagwan Shree Rajneesh, I live here with my husband of 12 years and our 10 year old son. I have watched my son become a happy positive person since moving here.

In my daily meditations when I tune into Bhagwan's energy, I have very clear and powerful insights about myself and my life. Daily when he drives by I feel such joy and find myself energized physically, spiritually, and psychologically. Its such a gift to live in the presence of a man who has realized such a high level of being. He is really an inspiration for the world to see such human potential realized. I am happy to be a part of this beautiful spiritual community with

Bhagwan.

Even tho Bhagwan is now not communicating with audible words, you can be certain he communicates clearly and strongly to us with his love and energy.

Sincerely,  
Ma Anurag Faith
