TO WHOM IT MAY CONCERN:

My name is Jivan Marc and the present is to express my great admiration for Bhagwan Shree Rajneesh. He simply made my life more intense. I am a carpenter and since I know Bhagwan and his teachings, the quality of my work has increased. I don't work to finish anymore. I try to enjoy every moment and the result is fantastic. It's not only in my work, my whole lifestyle is more alive. He made me aware of the fact, that life is a miracle and whatever I do, I do it more totally and with more awareness. My work is better, my employers appreciate it and it makes my surroundings happier.

I think that Bhagwan Shree Rajneesh is one of the great men of our time and that He should be allowed to stay in the United States of America, that America would benefit also from his presence.
