Re: IN SUPPORT OF BHAGWAN SHREE RAJNEESH

I am a Certified Public Accountant practising as an Accountant in Kenya.

I regularly do Bhagwan's meditations, read his books and listen to his audio cassettes.

I find Bhagwan's meditations a direct help to me. Meditations have a direct effect on my mind and body<sup>also</sup> on my day to day living and clarity of thinking and thus life itself. This is to me in a way science that helps me as a person to live and relate to the outside World i.e. think with clarity and feel and see and act accordingly.

Bhagwan's meditations and teaching have been of immense value and not fully expressible on paper.

I shall be glad to give any further information.

Love,

  
ASHVIN BHARTI
