Dear Sir

I would be so happy if

Bhagwan could stay in U.S.A.

He is the most beautiful
person I have ever met in my all life
I am psychotherapist since

10 years and have never experienced such truth,
grace and love in Bhagwan.

He is the most intelligent
person I have come through, and such culture
-America could miss a lot by not welcoming
him in the country of liberty and freedom
he has so much to give to those who are
ready to see, to hear and to feel.

Thanking you for your attention,
I remain,

Respectfully yours
Sw. A. Satyarthi
