

To whom It May Concern:

We have co-founded a health center, "Surya" in Italy, V. Lechi N.25
25100 BRESCIA.

We practice pranotherapy. Our work is possible only because of the
teaching and the love that our master, Bhagwan Shree Rajneesh, has showered
on us.

We have gived 15 lessons to some other pranotherapists already working
successfully in Brescia. We have printed a book out of these lessons that
we will send to you soon, with the letter declaration of the above partic-
ipants saying that all the teaching they have received from us come only from
our beloved master, Bhagwan Shree Rajneesh.
