To the whom it made concerns!

I feel love. That is enough to know, that
I am on the right way with Bhagwan Shree Rajguroh.

Look around the world. Where you can find really
love. Feelings which are really.

You can go to every place in the world where are
living disciples from Bhagwan.

You will find love and understanding from 250000 Sunny

Isn't that enough?

I don't feel to say anything more. There is the
essential thing for me

Love
