To whom it may concern,

My name is Ma Prem Aditya, I am a sannyasin since 4 1/2 years.

The first time I met Bhagwan Shree Rajneesh was 4 years ago in Poona. In that time he spoke to all his disciples for two hours every day and I was also there every day. I listened to him and looked at him, and after a few months

I began to realize that it was not very much important what he was saying, there was something else about him that touched me very deep inside. Only sitting there, being close by him gave me so much energy and so much love for life.

Since I'm back here, I didn't see Bhagwan again, because I couldn't go to Rajneeshpuram. But I can feel so good how he is working with us, through the commune in Oregon, through the communes all over the world, through every sannyasin. It is not needed anymore that he speaks, because the contact is already there, I feel a very strong connection with him which has nothing to do with words anymore.
