

To whom it may concerne.

My legal name is NOLI LUCIANO and my sannyas name is SWAMI GANDHRAJ. I'm 23 years old and i'm a worker at Ferrara, Italy.

I took my Sannyas on September , 1982 and I met Bhagwan Shree Rajnaesh on 1981.

Everything I could say about my Beloved Master Bhagwan Shree Rajneesh wuold be surely partial, when the first thing I've learnt by Him is the love for totality as totalx is love for us.

A wayn to totality, ax vehicle by which I can find it.
