To Whom it May Concern,

I became a disciple of Bhagwan Shree  
Rajneesh on the 20th of January, 1983.

I need His silence right now.

I feel His silence will help me, I am ready to feel His bliss.

Now, Bhagwan teaches me the meaning of "being" through His  
silence.

I feel nothing but gratitude for Him.

Sincerely

Koichi Wada.
