Dear Sirs:

I am a teacher of English as a Second Language, and I have known many dear people from different cultures, as I have taught in the Los Angeles school system. All contribute culturally and individually to our enriched United States.

Spiritually we all have some consciousness of beauty and wisdom greater than our own. I have found a beautiful, actual and active guidance from Bhagwan Rajneesh, and well as other masters such as Christ who do not speak literally.

Please encourage Bhagwan to stay in the USA.

Very sincerely,
Judith Morrow
