To whom it may concern

My name is Shivam Yabren and I have been at Rajneeshpuram for the Second Annual World Celebration. This year the Satsangs and the greetings of Bhagwan were the most important things for me. The feeling that He is really my master and that He loves me was very strong and made me so happy. This is the only thing that matters. I love Him.

When I came to the Ranch this year I felt that I was coming home. Back in Germany to be among Saunyasins gives me the feeling to be close to Bhagwan and reminds me of the beautiful chance He is offering to us.

Yours faithfully
Shivam Yabren
